Specifications

SKU	ZLP-zC21-12-zC20-3m
Plug	ZLP-zC20 (Z-Lock C20)
Connector	ZLP-zC21 (Z-Lock C21)
Cordage	12AWG/3C SJT
Length	3 M *(3.00 m)*
Wire color	Black
Electrical rating	20A / 250V
Lead time	10 days from order
Approvals	*Pending engineering review — assigned at order acceptance*
ID rings	Source: **None** / **None** · Device: **None** / **None**
HTS Code	8544.42.9090

Configuration generated at Nov 13, 2026 at 8:32 pm. This datasheet is not a Certificate of Conformance — custom builds receive a per-order CoC at production sign-off — and is not a contract. Specifications subject to engineering review prior to production.

UL listing reference

Compliance evidence summary for the cord families documented in this pack. The listing below is the public-record proof of UL recognition for the cordage + connector pair; it is reproduced here verbatim for the convenience of customer quality / engineering review.

UL PRODUCT IQ — RECOGNIZED COMPONENT

ELBZ7.E210037

Verify the live listing at **https://iq.ulprospector.com** using the file number above.

UL Product iQ® is a registered service mark of UL LLC. Reproduction in customer-facing documents is permitted under the recognized-component agreement on file with our supplier.

Compliance summary

UL recognized component	ELBZ7.E210037 *(MSL Taiwan — primary supplier)*
Listing scope	Power supply cords & cord sets; flexible cord molded plug-end sets; cord-end fittings. Covers the cordage + connector pair for this family.
Approvals	cULus
Certifications	RoHS, REACH, TSCA
Origin	TBD
HTS Code	8544.42.9090

This page is a reference summary of the recognized-component listing only. The full Certificate of Conformance for this family is included earlier in this document pack and is signed under delegated Quality Assurance authority.
